

## **IGIDR-IDRC Scholarships (2018-19)**

### **``Capacity Building in Inclusive Development with a special focus on Labor Market and Industrial Policy``**

#### **Asian Regional Initiative**

Indira Gandhi Institute of Development Research (IGIDR) is an autonomous research body located in Mumbai, India and founded in 1987 by the Reserve Bank of India to commemorate its golden jubilee. In its role as Deemed University (since 1995) with the highest rating of the accreditation body of India (since 2002), it offers Masters in Economics and integrated M.Phil./Ph.D. programs in Development Studies.

The International Development Research Centre (IDRC) was established by an Act of Canada's Parliament in 1970 to help developing countries find solutions to their challenges. The Centre supports emerging researchers to develop skills and generate knowledge and innovation for positive change.

IGIDR runs a Capacity building program in Inclusive Development with special focus on Labor Market and Industrial Policy with funding from the International Development Research Centre, Canada (IDRC). As part of this initiative, the following scholarships would be available for students who are citizens of the following Asian countries: Afghanistan, Bangladesh, Bhutan, Cambodia, Indonesia, Malaysia, Maldives, Myanmar, Nepal, Philippines, Sri Lanka, Thailand, and Vietnam.

#### **Post-Doctoral Program (Maximum of 1 Scholarship per academic year, @ INR 100000 per month)**

Post-Doctoral Scholarship are available for scholars from the target countries, either newly graduated Ph.D. candidate (within two years of successful

submission of their dissertations) or junior faculty, who have submitted their Ph.D. dissertations or obtained Ph.D. degrees with an outstanding academic training and record in the broad areas of Economics, and particularly, Inclusive Development with special emphasis on Labor Market and Industrial Policy. The scholarship would be available for a period of one year to those who are preferably within the age limit of 35 years. The grantee will be expected to produce at least two working papers per year; they will also be expected to give at least two seminars at IGIDR each year based on the work done by them at IGIDR.

#### **Funding**

The selected candidate will receive the scholarship (as applicable), medical coverage (as applicable), book grants (as applicable), conference travel funding (as applicable) and one round trip economy fare (as applicable).

#### **Application Details**

The detailed calls for competitions for the above program, including the eligibility criteria, deadlines and scholarship details will appear soon. Please look up IGIDR website [www.igidr.ac.in](http://www.igidr.ac.in) for further announcements and details.
