

# ACADEMIC PROGRAMME M.Sc. PROSPECTUS 2024

Indira Gandhi Institute of Development Research Deemed to be University

# BACKGROUND

Indira Gandhi Institute of Development Research (IGIDR) is an advanced research Institute established in 1987 in Mumbai by the Reserve Bank of India for the study of national and global development issues. It is governed by a Board of Management comprising distinguished academicians. The Institute is recognized as a Deemed to be University under Section 3 of the UGC Act.

As an institution of national and international repute, IGIDR's mission has been to promote academic excellence with respect to research, teaching and capacity building in economics and development policy. The Institute offers Masters of Science (M.Sc.) in Economics and admits students from diverse disciplinary backgrounds. Adopting an interdisciplinary approach with economics at its core, the course structure is designed to impart theoretical and empirical skills to analyse economic, energy and environmental issues and problems.

IGIDR faculty are drawn from reputed institutions from India and abroad and have established themselves as leading researchers in their respective areas of specialization. They have published in high quality peer reviewed journals and have contributed to academic and development policy debates at both national and international level.

#### MASTERS OF SCIENCE IN ECONOMICS

The Masters programme is typically, a two-year programme following a semester system. It can be extended up to a maximum of three years under a slow track system.
